Life is easier with the Avado® 2-in-1 Faucet with Filtration

LKAV7051FLS

A new way to drink at the sink!

Fresh, filtered and so convenient – get better-tasting water for drinking and cooking straight from your tap! Fill pitchers, dog bowls and pots without having to leave the sink. This sleek and stylish faucet offers standard hot and cold water plus high-quality filtration, with no need to install a second tap. Save time and money and reduce plastic waste, too!

ALL-IN-ONE SYSTEM: No need to install a second tap – get fresh, filtered water straight from your kitchen faucet.

LONG-LIFE FILTER: Quick-change filter lasts approximately one year, saving time and money while providing cleaner, better tasting water.

CONCEALED DESIGN: Attractive, sleek design hides spray head inside faucet for easy access when you need it.

THREE-FUNCTION HANDLE: Handle moves 45° backward or forward for standard hot and cold water, or 90° forward for filtered water.

THREE UNIQUE SPRAY SETTINGS: Standard kitchen stream, powerful spray and filtered drinking water all in one.

REDUCE WASTE: Contribute to a cleaner world by eliminating single-use plastic water bottles that can end up in waterways.
