ELKAY FIRECLAY

SWUF13020CBWH

Shown on Cover: SWUF13020CBWH

The timeless look of fireclay is at home in any décor from traditional to contemporary.

Fashionably Functional

Make a style statement—farmhouse apron front sinks feature beautifully finished material that extends to the front of the sink, running alongside lower cabinets.

Reversible Design

Elkay® elevates style to the next level with our reversible farmhouse sinks that allows you to select between two design statements. These sinks can be installed with either a traditional flat front or with a decorative band across the top.

Workstation

Built-in ledge lets you work over the sink, saving precious counter space. Sink includes a walnut cutting board to help you go from meal prep to clean up in seconds.
(Select models)

Easy to Clean

Beautifully finished glossy and matte surfaces are easily cleaned.

Bottom Grids

Custom-sized grids have properly positioned drain openings to cover the bottom of Elkay sink bowls.

Strength

The finest fireclay is fired at high temperatures for long-lasting durability that is scratch and stain resistant.

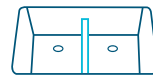

Quiet

Thick material naturally minimizes sound for a quieter time at the sink.

Drain Fittings

These sinks use standard drain fittings; sold separately.

Aqua Divide™

Low center wall allows pan handles to extend over the middle, and makes it easy to wash large items, like baking sheets, over both bowls.
