

ELKAY[®]
Perfect Drain

Cleaner Drain = Cleaner Sink!

We've done it! Elkay[®] has perfected the sink by eliminating the gap around the drain for a cleaner sink and a stylish look.

No gap means no gunk, because food has nowhere to go but down the drain.

(Not) Seeing Is Believing!

With Perfect Drain® sinks by Elkay, the beauty is in what you don't see – no seams, no gaps and no grime! People notice the magnificence of the sink design. And cleaning is a breeze, because there is no need to scrub around the seams of the drain.

- The drain's seamless design means there is more space in the bottom of the sink.
- Available on a wide selection of popular Elkay sink models: single bowl, double bowl, top mount and undermount. Currently available on ADA models.
- Ships complete, with all drain parts included, saving time and money.
- Perfect Drain sinks are designed and approved for compatible disposers manufactured by InSinkErator® utilizing the Quick Lock® mounting configuration.
