character and style
for your home

Quartz 4

Copper 10

Improving your everyday beautifully.

From washing and rinsing, to food prep and cleaning, you spend a lot of time at your sink. The style, functionality and material of your sink should stand up to whatever life dishes out. That's why we spend our time designing sinks that make your daily routines easier, so you have more time to do the things you love.

Color, texture and sheen all provide ways for you to express your unique style. While we made a name for ourselves with stainless steel, Elkay® provides precision engineering to quartz composite, copper, fine fireclay and cast brass sinks. Discover what feels right for you and appeals to your sense of style.

Copper

antique hammered finish

Copper adds drama and character with its color, shape and Old-World charm. The patina grows rich with time, giving it a worn, aged look.

Copper offers authentic vintage style with a distinctive living finish. Its surface tarnishes naturally, creating a desirable patina.

Light scratches are normal and blend in with the unique finish pattern.

Sound deadening pads minimize noise.

Fine Fireclay

Fine fireclay sinks offer timeless appeal, traditional to modern styling, long-lasting durability and shine with a clean, unique sink expression.

Colors

White [gloss] (WH)

Biscuit [gloss] (BQ)
Only available in
apron front models.

Fireclay offers an attractive porcelain appearance in a variety of elegant styles.

Scratch resistant and nonporous, the smooth glaze of fireclay is easily wiped clean.

Dense material naturally minimizes sound and reduces condensation.

Sinks use standard drain fittings (sold separately).

ECB19BWBA cast brass sink

Cast Brass

Cast brass has a pleasing copper look for a spa-inspired bathroom.

Similar to copper, brass offers vintage style with a living finish that naturally tarnishes to form a unique patina.

Each original, handcrafted cast brass sink is different in texture, color and finish.

Elkay accessories are custom designed to be a perfect fit for each sink model in order to simplify the food preparation and cleanup process.

faucets

All Elkay faucets are designed and constructed from the highest quality materials to provide years of maintenance-free operation. Choose from a wide array of styles and finishes.

soap/lotion dispensers

Select a matching soap or lotion dispenser designed especially to enhance your faucet/sink combination. Constructed of the same high-quality materials as the Elkay faucets to provide years of service.

strainers/disposer flanges

Choose from a variety of styles to complement your Elkay sink with functions to match your individual needs. Made to resist corrosion caused by abrasive chemicals and detergents.

cutting boards

Manufactured from the finest hardwoods, Elkay cutting boards are designed to securely lock into your Elkay sink or countertop opening providing confidence the board will not shift around during use.

rinsing baskets

Elkay rinsing baskets are built from solid stainless steel. Custom designed for maximum size within each Elkay sink bowl to hold larger plates and serving dishes.

bottom grids

Built from solid stainless steel to resist corrosion, Elkay bottom grids are custom designed to completely cover and protect the entire bottom of your Elkay sink bowl.
