

Easy Install, Easy Replacement.

Outdoor Tubular Wall-mount Models

With industry-leading construction, Elkay® tubular wall-mount fountains and bottle filling stations are ideal for public spaces with high-traffic areas such as schools, parks and commercial buildings.

ELKAY
Outdoor Drinking Solutions

ATTRACTIVE. TOUGH. EASY TO MAINTAIN.

Single-line installation makes these units a great choice when upgrading or replacing older fountains. One waste line means these units are simple to maintain.

Offset design allows multiple users to drink or fill water bottles at the same time.

Durable **Type 316 stainless steel** for superior corrosion resistance against the elements.

Quick fill rate of **1.0 GPM** makes filling up on the go a breeze.

Industry-leading **five-year** product warranty.
