EZH₂O®

Bottle Filling Station, Surface Mount

- The Elkay EZH2O Bottle Filling Station delivers a clean, quick water bottle fill and enhances sustainability by minimizing our dependency on disposable plastic bottles
- Designed for installations with limited wall depth
- Ideal for office buildings, medical facilities or airports

Bottle Filling Station, Surface Mount

The EZH2O Surface Mount features:

- Touchless, sensor-activated
- Quick fill rate of 1.1 - 1.5 gpm
- Automatic 20 second shut off timer
- Visual user interface display includes:
 - Innovative Green Ticker™ counting the number of bottles saved from waste
 - Filter monitor indicating when replacement is needed (with filtered model)

WaterSentry® Plus Filter (available with LZWSSM only)

- 3000 Gallon capacity*
- Quick, 1/4 turn for easy installation
- Polypropylene pre-filter mesh prevents coarse sediment from entering filter
- Made with activated carbon and patented ATS lead-removal media
- Final filter mesh prevents loose carbon from entering water
- ANSI/NSF Standard 42 and 53

*Capacity may vary depending on local water conditions.
