High-capacity Bowl

Raised work shelf at front of sink opens to an extra-deep 9" bowl for room to stack dishes, fill stockpots and fit baking sheets.

Farmhouse Design

Material extends to the front panel of the sink, adding a stylish design element to the kitchen.

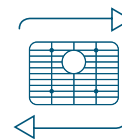

Work Shelf

Built-in shelf at the front of the sink keeps kitchen tools like sponges and brushes within reach and out of sight. Shelf also accommodates optional custom-sized accessories.

ADA Offset Drain

Rear drain placement puts plumbing at the back, creating barrier-free space under the sink for wheelchair accessibility.

Included Accessories

Reversible grid functions as a standard bottom grid or can be flipped to elevate with work shelf. Complete with drain and drain cover.
