SCULLERY TO LIFE.

ATTENTION TO DETAIL

Custom sinks and sink tops made to your specifications.

- **Seamless Appearance:** Where sinks meet integral drain boards, the intersections are rounded for beauty and easy, sanitary cleanup. There are no overlapping or soldered edges.
- **Stunning Finish:** Custom sinks and sink tops feature a satin or matte hand polished finish for a look that stands the test of time.

QUICK TURNAROUND AND COMPETITIVE PRICING

Most custom projects are completed in 15 production days after receiving a purchase order or approved drawing. Elkay custom pricing is based on individual sink specifications. Custom sink tops have an average list price of \$100 per square foot. The average list price to add an integral sink bowl is \$500.

CREATING THEIR PERFECT SINK

Marge Perry and David Bonom cook and write about food for print publications, websites and Marge's own food blog. They partnered with Elkay to create a sink which included rear corner drains to accommodate large pots without covering the drains. They also needed just the right bowl depth to meet their varying heights.

"The great thing about working with Elkay was they heard, very specifically, what our needs were," Marge says.
