

Products for Healthier Communities

From health care facilities to schools and everything in between — Elkay® has a large selection of products that help you contribute to a safer world. You'll find copper sinks that kill bacteria and touchless bottle filling stations with lead-reducing filters. Here's a look at just some of our innovative products.

Elkay Is Here for You Today, Tomorrow and Forever.

Scrub, Hand Wash and Copper Sinks

Our extensive sink portfolio includes a variety of knee-operated scrub sinks, foot valve hand wash sinks and copper sinks. Our antimicrobial copper sinks are tough on germs, killing more than 99.9% of bacteria* within 2 hours. Copper sinks are ideal for hospitals and medical centers, as well as public spaces such as sports and fitness facilities where hygiene is top of mind.
