ezH2O Liv

It’s the first built-in filtered water dispenser engineered for the home! Designed to seamlessly fit any space, it’s a sleek, convenient addition to any room, from your entertaining space to the master suite, and even the kitchen.

**Built-in Design**
Install a filtered water dispenser in convenient areas of your home, inside and outside the kitchen.

**Easy Installation**
Fits within the width and depth of two standard wall studs. Includes drip tray with optional drain connection; can connect into existing water line.

**Filtered Water**
NSF-certified filter reduces lead and other harmful contaminants, for added assurance of healthier, great-tasting water.

**Filter Status Lights**
Colorful lights indicate when filter needs changing so you always know you’re getting filtered water.

**Bottles Saved**
Backlit LED Green Ticker™ counts the number of disposable, single-use plastic bottles served without the plastic bottle waste.

**Safety Lock**
Optional setting prevents unsupervised use; ideal for families with small children or pets.
