About Elkay

For more than 100 years, Elkay® Manufacturing has been making innovative products and providing exceptional customer care. Family owned since 1920, Elkay began by making residential butler and pantry sinks. Today, the company has grown to include faucets, foodservice fixtures, water delivery products and architectural millwork in addition to world-class sinks. We are proud to be America’s No. 1 selling kitchen sink company, as well as a leading manufacturer of award-winning water delivery products, including the ezH2O® bottle filling station.

Like your family, Elkay has values and traditions that endure. We take pride in offering reliable products that inspire change and leave the world a better place for generations to come. Headquartered in Downers Grove, Illinois, Elkay is American owned and operated providing thousands of jobs that support our families and communities.
