## About Elkay

Family owned since 1920, Elkay has been making innovative products and delivering exceptional customer care for almost a century. While proud to be America's No. 1 selling kitchen sink company, Elkay expanded its commercial offerings more than four decades ago, and today delivers faucets, foodservice fixtures, water coolers, drinking fountains and award-winning ezH2O bottle filling stations, in addition to world-class stainless steel and quartz sinks.

Like your family, Elkay has values and traditions that endure; like a commitment to sustainability and to our country. Headquartered in Oak Brook, Illinois, Elkay has been American-owned and operated, providing thousands of jobs that support our families and communities.
