

New Arrivals

Whether your style is understated, sophisticated or you like to make a splash, Elkay® faucets combine style and durability with the features you need to make time at the sink easier. Here's a look at some of our latest offerings and features.

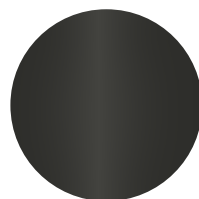

FAUCET FEATURES

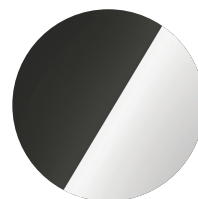

- Two-tone looks in Matte Black and Black Stainless
- Forward-only handles that don't interfere with the backsplash
- Concealed pull-down spray head for a seamless look
- Easy-clean spray face
- Quick Connect hose fittings that snap together in seconds with no tools

Visit elkay.com/faucets to view features and finishes on individual faucets.
