

ELKAY®

Reputation Is Built  
Here to help you deliver your best.

At Elkay®, we're proud to be America's No. 1 selling kitchen sink company. Established in 1920, we've been growing trust among builders with our high-quality and innovative sinks, faucets and custom stainless solutions for decades. With materials, styles and price points for every budget, you can confidently offer your customers the choices they want, with quality you can trust.

# Quartz

## Elkay Quartz®

Elkay has the largest offering of quartz sinks on the market. Available in multiple installation styles, colors, models, for 100s of choices, including laundry, bar and ADA. These durable sinks can take on the toughest household tasks.

### Quartz Luxe®

**Strong**

**Scratch  
Resistant**

**Perfect  
Drain**

Offered in rich, bold colors, the silky smooth surface of our Quartz Luxe® sinks resists stains and smudges. Constructed through a proprietary manufacturing process that combines natural quartz with high-performance, UV-stable acrylic resins, these sinks are as strong as they are stylish.

### Quartz Classic®

**Stain  
Resistant**

**Scratch  
Resistant**

**Perfect  
Drain**

Everyone loves a classic! Crafted from natural quartz and acrylic resins, Elkay Quartz Classic® sinks have the organic look and feel of authentic stone. These sinks come in a range of hues, allowing you to match your sink to your décor.

# Custom

## Custom Stainless Solutions

Our dedicated Custom team will partner with you to create unique indoor or outdoor sinks and sink tops that meet your customers' specific needs at an affordable price. Each piece is a one-of-a-kind creation that is thoughtfully simple and practically designed.

### Custom Fabrications

Form meets function and your customers' visions become reality with Elkay custom.

Custom Outdoor

Custom Mega-Island

### Modify an Existing SKU

Offer your customers a sink tailored to their lifestyle and home.

#### Type of Steel

Standard 304 or 316 for corrosion resistance.

#### Faucet Holes

Add, move or remove holes at no additional charge.

#### Gauge of Steel

Select 18 gauge or stronger commercial-grade 16 gauge.

#### Bowl Depth

Modify existing product for a deeper or shallower bowl.

#### Rim

Raised with drip-ledge for drop-in or flat for undermount.

#### Drain Location

Drain can be in the center, or offset to the back or the side.

#### Reverse Bowls

Switch bowl configuration, with larger bowl on the left or right.

### Circuit Chef™ Multiuse Sink

The two-tier design is intelligently engineered to house a variety of included essential custom accessories that make transitioning from washing, cutting, sorting and straining effortless.

Sizes:

32-1/2" long

45-1/2" long

59-1/2" long

Cutting boards, bottom grids and colanders included.

# Built-in Filtered Water Dispenser

## Filter Status Lights

- ⊗ ⊗ Colorful lights indicate when filter needs changing so you always know you're getting filtered water.

## Filtered Water

NSF-certified filter reduces lead and other harmful contaminants. Filter status lights let you know when easy filter changes are needed.

## Easy Installation

Fits within the width and depth of two standard wall studs near water and electrical. Includes a drip tray with optional drain connection.

## Colors

Aspen White

Midnight

## ezH2O® Liv™

Elkay's ezH2O® Liv™ is the first built-in filtered water dispenser engineered for the home! Designed to seamlessly fit any space, it's a sleek, convenient addition to any room, from an entertaining space to the master suite, and even the kitchen. Ideal for new construction or remodels.

## Safety Lock

Optional setting prevents unsupervised use. Perfect for families with small children or pets.

## Bottles Saved

Green Ticker™ counts the number of disposable, single-use plastic bottles served without the plastic waste.

## Built-in Design

Stylish design looks great in any room of your home, delivering water for hydration, household tasks or kid-friendly art projects.

## Models

Chilled

## Trusted, Award-winning Drinking Solutions

Elkay drinking fountains and coolers have been a staple in commercial spaces for more than 50 years. Our award-winning ezH2O bottle filling stations have become the standard for sustainable, healthy hydration in places such as schools and airports.

The same technology and convenience can be brought to the home with the smartly-designed ezH2O Liv, the first built-in filtered home water dispenser.

## Faucets

Complete the look with an Elkay faucet. Our faucets are crafted from the best grade materials and precision engineered for maximum performance. From flexible spouts to pull-down and pull-out styles, Elkay faucets are timeless sculptures accenting the canvas of a beautiful home.
