Drop-In & Undermount Stainless Steel Sinks
Neptune® by Elkay offers a powerful combination of excellence in stainless steel sinks. Value. Quality. Style. Together these characteristics take sinks crafted to handle the rigors of daily living and transform them into design elements with timeless appeal that are without comparison in the industry.

Neptune by Elkay offers a stainless steel sink for everyone and every budget. Choose from a variety of quality grades, and a huge assortment of styles. Each sink is crafted with extraordinary Elkay quality that is without equal regardless of your budget.

**Features that make Neptune by Elkay the superior sink choice**

**THICKNESS:**
Did you know that the smaller the number, the thicker the steel?

Thicker stainless steel means greater structural integrity with reduced noise and vibrations.

**NOISE:**
Have you noticed how noisy your sink can be?

Exclusive Sound Deadening protection applied to our sinks will reduce noise associated with dropped utensils and food waste disposals.

**CAPACITY:**
How many dishes can you fit in your sink?

Our sinks feature straight sides and bottoms to provide you with more usable work space.

**FINISH:**
Is your finish going to last as long as your sink?

Characterized by its depth and richness, our durable Satin finish will last years.

**Sink Capacity**
The unique straight-sided construction and tighter radius of corners featured on all of Elkay’s Neptune sinks result in more usable sink space.

This extra space is considerable. In a standard double bowl, Neptune’s extra capacity means you can fit 42% more glasses, two sizes of dishes instead of one and over 1 gallon more water. When the goal is a quick clean-up, nothing helps out more than Elkay.

**Neptune by Elkay**

**Competition**

**Other Important Neptune Sink Features and Benefits**
- U-channel mounting hardware
- Easy clean-up
- Easy to install
- Seamless appearance
Premium

These sinks are the top of the Neptune line. A beautiful finish accents extra deep, sound-deadened bowls.

Neptune Premium sinks offer an unprecedented combination of sophistication and style!

- Radiant finish with highlights
- Lifetime limited warranty
- 18-gauge nickel-bearing stainless steel
- Undercoating to deaden sound, retain heat and prevent condensation
- One-hand mounting fasteners on drop-in models
- Mounting clips and template are provided for undermount models
- Illustrated instruction sheet

Installation Profile of NUH Models - 1/2” Reveal

The template provided with each NUH sink provides the only type of installation recommended by Elkay.

- Model No. NLX3322104
  - Overall Size: 33 (l) 22 (w) 10 (d)
  - Inside Each Bowl: 14 (l) 15 3/4 (w)
  - Countertop Cutout: 32 1/8 (l) 21 3/8 (w) (1 1/2” radius corners)
  - # of Faucet Holes: 4
  - Shipping Weight: 18.5 lbs.

- Model No. NLX33224
  - Overall Size: 33 (l) 22 (w) 10 (d)
  - Inside Each Bowl: 14 (l) 15 3/4 (w)
  - Countertop Cutout: 32 1/8 (l) 21 3/8 (w) (1 1/2” radius corners)
  - # of Faucet Holes: 4
  - Shipping Weight: 25.3 lbs.

- Model No. NLX2522104
  - Overall Size: 25 (l) 22 (w) 10 (d)
  - Inside Each Bowl: 21 (l) 15 3/4 (w)
  - Countertop Cutout: 24 3/8 (l) 21 3/8 (w) (1 1/2” radius corners)

Here are a few tips to remember to help retain the sink's new look.

- Drain and rinse after each use and wipe dry. Never allow detergent to dry on stainless steel surfaces. (Most detergent brands currently contain additives which tend to be corrosive.)
- Use of “steel wool” pads is not recommended. These materials may leave metal splinters in the sink which give the appearance of rust in the stainless steel.
- Remove mats, wet sponges or dish rags from the surface.

We recommend cleaning of all exposed surfaces of Neptune by Elkay sinks with a conventional non-abrasive household cleanser. Make sure to rub back and forth in the direction of the sink grain lines. This will remove any stains and blend any scratches, which occur during normal use. Rinse thoroughly and completely towel dry.

For care and cleaning problems call 1-800-223-5529

In keeping with our policy of continuing product improvement, Elkay reserves the right to change product specifications without notice.

Complement your Neptune sink with the perfect accessory. Choose from high quality cutting boards and basket strainer assemblies.

Limited Warranty on all Stainless Steel Sink Models

**What is Warranted?**
Your sink and mounting fasteners are warranted to be free from defects in materials and workmanship. Should any defect be found which would result in the product being unsuitable in function or appearance, Neptune will furnish you with a replacement sink at no charge.

**Who Gets The Benefit?**
The terms of the warranty are extended to the original purchaser of the Neptune sink.

**What Will We Do?**
For any defective sink returned, Neptune will provide a replacement sink (of the same model), either through the store where the product was purchased or directly through Neptune.

**What Are The Exceptions?**
This warranty will be invalid if the sink has not been installed according to the instructions provided, or if it has been damaged due to mishandling or abuse in installation. Damage from misuse or improper applications of the product (such as exposure to corrosive chemicals, photographic solutions, etc.) will also invalidate this warranty. No labor charges and/or damages incurred in the replacement installation will be allowed.

**What Do You Have To Do?**
If a defect is found in the sink, contact the store where you purchased it. If the store has a replacement unit (of the same model) in stock, remove the sink from its installation, and return it to the store for exchange. It will be necessary to show proof-of-purchase at that time.

**Any Limitations On Liability?**
Neptune’s only liability is to replace a defective sink, and this warranty will not cover any damages which might be caused by the product. (Some states do not allow such limitation, so this reference may not apply to you.)

**And**
This warranty gives you specific legal rights, and in addition to these, you may have other legal rights (according to the statutes of your state.)

Any Other Warranties?
There are no other warranties expressed or implied.

How Long Is The Limited Warranty In Force?
The above protection will continue from 1 Year to Lifetime, based on the grade of the sink originally purchased, to the original owner of the sink.

Premium Series  Lifetime
Best Series  Lifetime
Better Series  Lifetime
Good Series  25 Years
Basic Series  5 Years
