Elkay® Vandal-resistant 14 Gauge Water Coolers for Heavy-duty Applications

- Heavy-duty 14 gauge stainless steel cabinet with integrated basin
- Vandal-resistant bubbler - chrome plated one-piece design
- U.L. Listed for indoor and outdoor service
- Meets adult or child ADA standards
- Ideal for schools, correctional facilities and recreation centers
VRCHD Heavy-duty Water Coolers from Elkay... Built Tough, Look Great!

Our new VRCHD 14 Gauge water coolers perform as good as they look. Distinctly designed for applications prone to vandalism, these tough, heavy-duty coolers can withstand the rigorous, heavy-use associated with schools, shopping centers, recreational and correctional facilities. In addition, the attractive curved profile and integrated basin create a contemporary appearance that looks great in any environment.

### Features + Benefits

- **14 Gauge, heavy-duty stainless steel cabinet and integrated basin with satin finish resists stains, corrosion and can support a vertical load up to 500 lbs.**
- **Vandal-resistant bubbler with chrome plated one-piece design provides a refreshing drink of water**
- **No-lead design water system is free of lead containing brass parts**
- **Meets adult and child ADA requirements when properly installed**
- **Heavy-duty front access panel secured with vandal-resistant fasteners**
- **Rated for indoor and outdoor service for ultimate versatility**
- **Vandal-resistant, self-closing push button does not require grasping or twisting**
- **Screened vents prevent objects from being inserted into the cooler**
- **One-piece, vandal-resistant drain helps prevent tampering**
- **Attractive curved basin provides a safe and unobtrusive design**
- **Stream height regulator can be easily adjusted through the hole in the pushbutton**
- **Ideal for schools, correctional facilities and recreational centers**
- **Available as a single VRCHD8S) and bi-level (VRCHD8SC) unit**
