

ELKAY® FACT SHEET

Crosstown® Stainless Steel Farmhouse Sink with Interchangeable Apron™

Imagine a farmhouse sink designed to give you the flexibility to change the color and material of the apron front on a whim. Homeowners can do just that with Elkay's innovative stainless steel farmhouse sink with an interchangeable apron! Available in a mix of materials and colors, the interchangeable apron is easily removed and switched out in minutes.

Perfect for the home décor enthusiast, change the apron seasonally or to coordinate with your ever-evolving style. An industry first, this fashion-forward sink allows you to alter the appearance of your kitchen without the time investment, expense or stress involved with a full kitchen renovation.

The Elkay Difference

Tight Corners: Geometric design offers straight sidewalls and a flat bottom for a contemporary look and more usable space; easy to clean.

Aqua Divide™: On select models, a low center divider allows pan handles to extend over center of the sink and makes it easy to wash large items, like baking sheets, over both bowls.

Quiet: Sound-deadening material minimizes sound and vibration for a quieter time at the sink.

Offset Drain: Drain placement provides more usable space on the bottom of the sink and in the cabinet below.

Deep Bowls: High-capacity bowls offer more room inside for stacking dishes, filling stockpots, and handling large baking sheets and roasters.

Cross Breaks: Creased accent lines in the sink bottom help with drainage and give the sink a professional appearance.

About Elkay Manufacturing

For more than 100 years, Elkay Manufacturing has been making innovative products and providing exceptional customer care. Family owned since 1920, Elkay began by making residential butler and pantry sinks. Today, the company has grown to include faucets, foodservice fixtures, water delivery products and architectural millwork in addition to world-class sinks. We are proud to be America's No. 1 selling kitchen sink company, as well as a leading manufacturer of award-winning water delivery products, including the ezH2O® bottle filling station.

Like your family, Elkay has values and traditions that endure. We take pride in offering reliable products that inspire change and leave the world a better place for generations to come. Headquartered in Downers Grove, Illinois, Elkay is American owned and operated providing thousands of jobs that support our families and communities.
