

ELKAY®

FACT SHEET

Smartwell® Beverage Dispenser with Touchless Operation

The intuitive Smartwell® beverage dispenser brings healthy hydration to your business in a fun, eco-friendly way. With an easy-to-operate touch screen or from their mobile devices, users can mix zero-calorie fruit flavors and add natural sweetener and enhancements, like electrolytes, vitamin C or caffeine to still or sparkling water. An online portal allows staff to monitor units, maintain notifications and manage orders from anywhere.

This filtered water dispenser gives users the option to create their own custom beverages on demand. Each unit features a WaterSentry® filter that is NSF/ANSI 42 and 53 certified for the reduction of lead, particulate, chlorine, taste and odor.

Saving the environment, money and storage space, Smartwell is a smart beverage dispenser. With more than 100 beverage combinations, there's something to delight and satisfy everyone.

The Elkay Difference

Touchless Dispense: Users create beverages, view nutritional information and maintain units all from the touch screen or their mobile devices.

Healthy Hydration: A healthy alternative to sugary beverages, Smartwell provides filtered water, with zero calories, natural flavors and enhancements.

Eco-friendly: Multiuse pouches reduce waste from single-use plastic bottles and cans and provide up to 300, 8-oz. beverages per pouch.

Bottles Saved: On-screen Green Ticker™ counts the number of disposable, single-use plastic bottles served without the plastic bottle waste.

Online Portal: Staff can conveniently monitor units, maintain notifications and manage orders – all from their computers, smartphones or tablets.

Smart Refill: Connected unit tracks usage and sends reports when flavors, enhancements, filter and CO₂ need replacing.

Touch Screen Interface: Staff can save time maintaining units through the touch screen.

About Elkay Manufacturing

For more than 100 years, Elkay® Manufacturing has been making innovative products and providing exceptional customer care. Family owned since 1920, Elkay began by making residential butler and pantry sinks. Today, the company has grown to include faucets, foodservice fixtures, water delivery products and architectural millwork in addition to world-class sinks. We are proud to be America's No. 1 selling kitchen sink company, as well as a leading manufacturer of award-winning water delivery products, including the ezH2O® bottle filling station.

Like your family, Elkay has values and traditions that endure. We take pride in offering reliable products that inspire change and leave the world a better place for generations to come. Headquartered in Downers Grove, Illinois, Elkay is American owned and operated providing thousands of jobs that support our families and communities.
