

## Change Your Filter Five Times Faster

Drop-down wrapper design on select enhanced ezH2O® bottle filling stations means quicker filter changes and less downtime. You can access the filter from the front and side of the cooler in under a minute.

### Quick Filter Change Wrapper

Drop-down style wrapper makes filter changes easy. Available on LZS8WSSP and LZSTL8WSSP enhanced ezH2O® bottle filling stations

LZS8WSSP and LZSTL8WSSP enhanced models also include:

#### High-capacity Filter Included

Our 51600C, 6,000-gallon filter is designed for busy commercial spaces. It's tested and certified to NSF 42 and 53 to reduce lead, Class 1 particulates, chlorine taste and odor.

#### Automatic Filter Recognition

FillSafe™ recognition recognizes new filter and updates LED light back to green.

#### Visual Filter Monitor

Monitor with LED filter status indicator alerts to needed filter changes.
