- Antimicrobial material

SUSTAINABILITY

- Energy-efficient operation
- Reduced plastic waste
- Recycled and recyclable materials

CONVENIENCE

- ADA compliant
- Vandal resistant
- Indoor/outdoor options
- Complete solutions

DRINKING WATER SOLUTIONS

Built for busy areas throughout school campuses, our trusted drinking water solutions deliver cleaner, healthier water. Models with filtration provide students and staff with cleaner water so they don't have to worry about what they are drinking and can focus on what really matters: learning and teaching. Our water filters are tested and certified to NSF/ANSI standards for the reduction of lead and other harmful contaminants.
