# BRINGING HEALTH AND WELLNESS WHERE IT MATTERS

Soapwell™ is a completely **hands-free** wash station that adapts to any environment, anywhere. With a **touchless** soap, water, and towel dispenser, this **mobile** unit is transforming the future of cleanliness.

Using 120V power, with the option of **water tanks or a 3/4" hose connection** for water supply, makes this unit simple to operate.

## 100% HANDS-FREE

Completely touchless, the sensors activate the faucet, soap dispenser, and paper towel dispenser.

## CLEANER ENVIRONMENTS

The durable stainless steel design is easy to disinfect, leaving you with a cleaner space and healthier customers and communities.

## MOBILE

The portable unit is built on locking casters and features recessed pull handles making it easy to reposition or relocate

## EASY ACCESS

Lockable hinged side panel allows secure under cabinet access.

## LESS WASTE

Removing hands automatically stops the delivery of water, soap, and paper towel - creating less waste and reducing energy consumption.

## INSTANT HOT WATER

Installed with an electric hot water heater and pump, you have hot water at your fingertips anytime.
