

We need
your help!

Dear Principal _____,

My name is _____, a student at
_____. I am writing this letter to
ask for safer drinking water in my school. I can't drink it
because it's _____

If I can't drink enough water, I will be thirsty and might
have trouble focusing. Kids need water to stay healthy.
Would you let your kid drink this water?

My teacher, _____, can show you how
to filter our school's water.

Thank you,
